

CERTIPREP

Microsoft Certified Application Specialist (MCAS)

Practice Exams

PC's located in the first floor study cubicles in the College of IT have been installed with iQsystem software that will allow you to practice for the MCAS exams. (You must reserve a room with the Helpdesk staff at 478-7499.)

Click **Start**, then the **Shut Down** Button and you will be asked what you want to do. Select, **Log Off Student**

1.) Select the orange Certiprep icon on the desktop.

2.) Enter the Username and Password located on a label on the lower left-hand corner of each computer monitor.

Be sure to select Program Type: Certiprep for Microsoft Certified Application Specialist, then **Login**.

3.) Select the application that you are interested in (Excel, PowerPoint or Word)
Then, you may select either Learning Mode or Practice Test Mode and Start.

iQsystem 6.22 - Select Exam

CERTIPORT Achieve • Distinguish • Advance

Select a test

| Exam Name | Status | Start Date |
|---------------------------|--------|------------|
